American Contract Bridge League Educational Foundation Scholarship

The American Contract Bridge League Educational Foundation (ACBLEF) is proud to announce its 2026 College Scholarship Program, designed to support outstanding students who share a passion for learning, achievement, and the promotion of bridge.

Scholarship Details

- **Award Amount:** up to \$2,500 (non-renewable).
- **Disbursement:**
 - 50% of scholarship awarded directly to the recipient upon selection.
 - 50% of scholarship awarded following submission of a fall transcript **OR** proof of continued enrollment in good standing, and progress report
- **Number of Awards:** Variable, depending on applications
- **Deadline to Apply: December 31, 2025.**

Eligibility & Evaluation

Applicants will be evaluated using a **holistic** review process that considers:

- **Academic Merit** – demonstrated performance and commitment to education.
- **Financial Need** – circumstances that may impact access to higher education.
- **Bridge Impact** – potential to promote and advance the game of bridge as a scholarship recipient.

Additional Notes

- The scholarship is **non-renewable**; however, in future years, the Foundation may introduce a renewable option for candidates who demonstrate exceptional promise and bridge leadership.
- Recipients must maintain continuous **enrollment** and good standing at their institution to remain eligible for the second disbursement.

How to Apply

Application details and forms will be made available through the ACBLEF website (link below). All applications must be **submitted by December 31, 2025** to be considered.
